WHAT BICC WILL DO IN 1971

1. Continue year-round job placement in cooperation with the Essex County Urban League. To recommend persons to available training programs as openings and people are matched.
2. Assist in viable career development training in clerical, secretarial, and other areas. Over 1100 yearly will be counseled personally and through the new Computer Matching Program.
3. Continue working with after-hour training programs for office workers, bank tellers, computer programmers and others.
4. Maintain and improve Newark's only monthly public forum for community problems and activities.
5. Work actively with the school system in introducing relevant curricular and offering 30 summer externships for teachers to learn practical aspects of business and industry to improve the quality of teaching and counseling.
6. Work among college and business members in alleviating confrontations, e.g. Gateway and other construction projects.
7. Assist in establishing in-plant training and sensitivity programs for business and industry's supervision.
8. Establish the climate in which greater involvement of industry can take place to include the hardcore unemployed and the disadvantaged trained person.
9. Assist in coordinating job developing programs in Greater Newark, capitalizing on expertise and mutually advantageous efforts of manpower programs.
10. Assist those entities not directly involved with employment efforts such as Greater Newark Chamber of Commerce, local colleges, universities, and schools, and the Greater Newark Urban Coalition, in their efforts to improve Newark as a city in which to live and work.
11. Stimulate and assist in the creation of needed manpower training programs, to attract federal, state, foundation and/or business support, and to administer them when desirable.
12. Multiply basic budget with additional funds from foundations attracted through pilot and demonstration projects. Some \$39,000 is on hand, another \$100,000 is being sought in addition to the basic budget listed on following page.
